The substantial NMP change information, information from the WPDES permit file and comments received from members of the public within the allotted public comment period(s) were used as a basis for this final determination.

The final determination, response to comments and other information related to this substantial NMP modification is available on the Departments internet site at: <http://dnr.wi.gov/permits/water/notices.html>.

As provided by s. 283.63, Stats., and ch. 203, Wis. Adm. Code, persons desiring further adjudicative review of this final determination may request a public adjudicatory hearing. A request shall be made by filing a verified petition for review with the Secretary of the Department of Natural Resources within 60 days of the date this substantial change to the nutrient management plan was approved by the department. Further information regarding the conduct and nature of public adjudicatory hearings may be obtained by contacting the Department of Natural Resources, Bureau of Watershed Management, WPDES Permits, Box 7921, Madison, Wisconsin 53707 and by review of ch. NR 203, Wis. Adm. Code, s. 283.63 Stats., and applicable code law.

Please keep in mind that approval by the Department of Natural Resources – Runoff Management Program does not relieve you of obligations to meet all other applicable federal, state or local permits, zoning and regulatory requirements.
